

'PALETTE KNIFE PAINTING'

A crash-course in fine painting with a palette knife with David Mensing

Heritage Park / Across from Finer Frames / Eagle, Idaho

Wed Aug 26 & Thur Aug 27th

10:00am – 4:00pm

SUMMARY:

Join David Mensing for 'PALETTE KNIFE PAINTING,' an exciting and insightful crash-course in fine painting and fun with a palette knife. You can expect to enjoy group instruction and demonstration with ample painting time and personal attention. At the conclusion of the workshop, you will have new tools and a new outlook to take your paintings to the next level.

ARTIST BIOGRAPHY

David Mensing's award winning paintings are featured in collections and exhibitions around the globe. David grew up in Iowa and moved west as a young man. He lives in Sisters, Oregon. Mensing's architectural background contributes to his compelling designs. He selects titles that reflect the character and spiritual basis of the work.

Numerous periodicals have featured his work with cover images and feature articles, including American Art Collector, Southwest Art and Big Sky Journal.
